Salesforce MVP

# # Warren Walters

Helping you learn Salesforce Development | Salesforce MVP &  
C3PO @ Cloud Code

Asheville, North Carolina, United States

## Summary

Transformative Salesforce Mentor and Engineer with 8+ years in the Salesforce realm. Over a decade in software development has seen my journey through diverse companies, from nimble startups to prestigious consulting firms, diving deep into intricate Salesforce projects and products. I've proudly constructed a robust development team, mentoring and guiding 10 prodigious developers to their PD1 and Javascript certifications. Honored as a Salesforce MVP, I'm fiercely dedicated to nurturing the next generation of Salesforce talent. Whether you're a seasoned coder or just stepping into the Salesforce universe, I'm here to champion your growth. Let's unlock exponential growth for your business and refine software solutions that resonate.

## Experience

### Cloud Code Academy

Chief Programmer Path Planning Officer (C3PO)

May 2023 - Present (2 years 2 months)

United States

I'm a founder now, so I can make up my titles.

I oversee all aspects of the Cloud Code Salesforce development training program. This includes delivering live lessons, building out the material, and helping developers navigate their careers. I also create videos and free resources for aspiring developers and build relationships with businesses to hire developers.

Delivering engaging live lessons to help developers master Salesforce.

Building and updating comprehensive training materials.

Creating fun and informative videos and free resources.

# Guiding developers through their career paths with expert advice.

Building strong relationships with businesses to connect them with skilled developers.

## Salesforce Mentor

### Salesforce Content Creator

April 2019 - Present (6 years 3 months)

[youtube.com/Walters954](https://youtube.com/Walters954) | [salesforcementor.com](https://salesforcementor.com)

Creating engaging and informative video content for a Salesforce developer/admin-focused YouTube channel.

Crafting insightful and educational blog posts on Salesforce development and administration topics.

Developing comprehensive and interactive training programs for aspiring Salesforce professionals.
